CHAPTER _____

An act to amend Section 50843 of, and to add Sections 50842.1, 50842.2, and 50843.5 to, the Health and Safety Code, and to amend Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code, relating to housing, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 2638, Laird. Housing trust fund.

(1) Existing law establishes the Local Housing Trust Fund Matching Grant Program for the purpose of supporting local housing trust funds dedicated to the creation or preservation of affordable housing. The Department of Housing and Community Development is authorized to make matching grants available to cities and counties, or a city and county, and existing charitable nonprofit organizations that have created, funded, and operated housing trust funds prior to January 1, 2003. Existing law also authorizes the department to make matching grants available to new local housing trusts created after January 1, 2003. Existing law provides that a project receiving funds is ineligible for funding through the Multifamily Housing Program. Existing law requires funds unencumbered within 30 months of receipt to revert to the department for use in the Multifamily Housing Program and requires loan repayments to accrue to the department to support the development of rental housing consistent with the Multifamily Housing Program if the local grantee trust no longer exists.

This bill would allow a project receiving funds from this program to be eligible for funding through the Multifamily Housing Program and would require funds that revert to the department to be used in the Local Housing Trust Fund Matching Grant Program and loan repayments accruing to the department to be used in the Local Housing Trust Fund Matching Grant Program.

(2) Existing law requires the Local Housing Trust Fund Matching Grant Program to be operated under guidelines adopted

by the department that are exempt from the requirements of the Administrative Procedure Act.

This bill would, for grants made available from funds other than those made available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2002, and subject to the availability of funds, require, rather than authorize, the department to make these grants. The bill would eliminate the distinction between housing trusts that existed before January 1, 2003, and those that are created after that date, but would require the department to set aside funding for new housing trusts, as defined by the department. The bill would also eliminate, for grants made available from funds other than those made available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2002, the requirement that the program be operated under guidelines adopted by the department that are exempt from the requirements of the Administrative Procedure Act.

(3) Existing law authorizes the department to establish competitive criteria for the award of local housing trust fund matching grants and requires the funding priorities used in the Multifamily Housing Program to be used if grant applications exceed available funds.

This bill would delete this authorization for grants made available from funds other than those made available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2002.

(4) Existing law requires program funds to be used to provide loans for the construction of rental housing affordable to, and restricted for, very low income persons and families earning less than 60% of the area median income.

This bill would instead, for grants made available from funds other than those made available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2002, require funds be used for the acquisition, construction, or rehabilitation of rental housing, emergency shelters, safe havens, transitional housing, and for sale housing. The bill would require at least 30% of these funds to be expended on projects, units, or shelters that are affordable to, and restricted for, extremely low income persons and families, no more than 20% of these funds to be expended on projects or units affordable to, and restricted for, moderate-income persons and families whose income does not exceed 120% of the area median income, and the remaining

funds to be used for projects, units, or shelters that are affordable to, and restricted for, lower income persons and families. The bill would require the grantee to record deed restrictions on for sale housing to ensure that the owner and grantee share the equity when the property is sold or, if the property is sold within 30 years from the date trust funds are used to acquire, construct, or rehabilitate the property, the owner or subsequent owner sell the home at an affordable housing cost to a household that meets the relevant income qualifications.

(5) Existing law requires funds unencumbered within 30 months of receipt to revert to the department.

This bill would, for grants made available from funds other than those made available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2002, extend this 30-month period to 54 months.

(6) Existing law requires the department to provide a report to the Legislature regarding the program no later than December 31, 2005.

This bill would require the department's report to the Legislature to be provided by January 30 of the year following a year in which funds are awarded by the program.

The bill would also make technical, nonsubstantive changes.

(7) Existing insurance tax law, the Personal Income Tax Law, and the Corporation Tax Law, in modified conformity to federal income tax laws, allow taxpayers a credit against the taxes imposed by those laws for providing low-income housing, and require the California Tax Credit Allocation Committee to allocate the credit in accordance with specified criteria. In general, those laws allow the credit over a 4-year period for specified percentages of costs, except that, with respect to buildings at "risk of conversion," the credit is the same as the federal percentage for the first 3 years and for the 4th year the percentage is the difference between 13% and the sum of the credit for the first 3 years. Those laws define buildings "at risk of conversion" as property that, among other things, is a multifamily rental housing development, in which at least 50% of the units receive certain governmental assistance pursuant to, among other things, the low-income housing credit program set forth in a specified provision of the Internal Revenue Code, provided the property is ineligible to receive an allocation of tax

exempt private activity mortgage revenue bonds from the California Debt Limit Allocation Committee. Pursuant to this definition of property “at risk of conversion,” the restrictions on rent and income levels must terminate, or the federal insured mortgage on the property must be eligible for prepayment, anytime within 5 calendar years after the year of application to the California Tax Credit Allocation Committee.

This bill would delete the requirement that the property be ineligible for an allocation of tax exempt private activity mortgage revenue bonds from the California Debt Limit Allocation Committee in order for the multifamily rental housing development to qualify as receiving governmental assistance through the low-income housing credit program and would provide that the termination of restrictions on rent and income levels and the eligibility on prepayment occur within 5 years before or after the date of application to the California Tax Credit Allocation Committee.

(8) This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 50842.1 is added to the Health and Safety Code, to read:

50842.1. The Legislature finds and declares all of the following:

(a) Local housing trusts are locally developed responses to regional housing needs and are responsive to local control.

(b) Local housing trusts have an excellent record of accomplishment of serving as efficient vehicles for disbursing resources at the local level.

(c) As of January 1, 2006, there were 21 city and nine county housing trusts throughout California producing thousands of units of affordable housing, through the utilization of millions of dollars of locally generated funds, resulting in the leverage of millions more for the development of affordable housing.

(d) Housing trusts are local sources of revenue for affordable housing and very often are a direct result of local constituencies coming together around affordable housing. These relationships

are often long term and include a broad set of community players that go beyond the traditional supporter of affordable housing.

SEC. 2. Section 50842.2 is added to the Health and Safety Code, to read:

50842.2. There is hereby established the Local Housing Trust Fund Matching Grant Program, to be administered by the department, for the purpose of supporting local housing trust funds dedicated to the creation or preservation of affordable housing as described in this section. Local housing trust funds shall be derived on an ongoing basis from private contributions or governmental sources that are not otherwise restricted in use for housing programs.

SEC. 3. Section 50843 of the Health and Safety Code is amended to read:

50843. (a) This section applies only to grants awarded pursuant to this chapter from funds made available pursuant to Part 11 (commencing with Section 53500).

(b) The department may make matching grants available to cities and counties, or a city and county, that have created, funded, and operated housing trust funds prior to January 1, 2003, and to existing charitable nonprofit organizations described in Section 501(c)(3) of the Internal Revenue Code that have created, funded, and operated housing trust funds prior to January 1, 2003. These funds shall be awarded through the issuance of a Notice of Funding Availability (NOFA). The department may establish competitive criteria consistent with the funding priorities used in the Multifamily Housing Program (Chapter 6.7 (commencing with Section 50675)) to be used in the event that applications exceed the funds available. Applicants that provide matching funds from a source or sources other than impact fees on residential development shall receive a priority for funding.

(c) The department may make matching grants available to new local housing trusts created by cities and counties, or a city and county, and to fund new housing trusts created by charitable nonprofit organizations described in Section 501(c)(3) of the Internal Revenue Code that provide low-income housing assistance. As used in this section, “new housing trust” means a housing trust that was not in existence prior to January 1, 2003. The department may consider grant applications, submitted

pursuant to this subdivision, and determine their eligibility for funding, in the order in which they are received.

(d) Housing trusts eligible for funding under this section shall have the following characteristics:

(1) They utilize a public or joint public and private fund established by legislation, ordinance, resolution, or a public-private partnership to receive specific revenue to address local housing needs.

(2) They receive ongoing revenues from dedicated sources of funding such as taxes, fees, loan repayments, or private contributions.

(e) The minimum allocation to an applicant shall be one million dollars (\$1,000,000), and no applicant may receive an allocation in excess of two million dollars (\$2,000,000). All funds provided pursuant to this section shall be matched on a dollar-for-dollar basis. No application shall be considered unless the department has received adequate documentation of the deposit in the local housing trust fund of the local match and the identity of the source of matching funds. Applicants shall be required to continue funding the local housing trust fund from these identified local sources, and continue the trust in operation, for a period of no less than five years from the date of award. If the funding is not continued for a five-year period, then (1) the amount of the department's grant to the local housing trust fund, to the extent that the trust fund has unencumbered funds available, shall be immediately repaid, and (2) any payments from any projects funded by the local housing trust fund that would have been paid to the local housing trust fund shall be paid instead to the department and used for the program. The total amount paid to the department pursuant to (1) and (2), combined, shall not exceed the amount of the department's grant.

(f) Funds shall be used to provide loans for the construction of rental housing projects, or for construction of units within rental housing projects, affordable to, and restricted for, very low income persons and families earning less than 60 percent of the area median income. All assisted units shall be restricted for not less than 55 years. Loan repayments shall accrue to the grantee housing trust, or to the department if the trust is no longer in existence.

(g) In order for a city, county, or city and county to be eligible for funding, the applicant shall have, at the time of application, an adopted housing element that the department has determined, pursuant to Section 65585 of the Government Code, is in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code. In order for a nonprofit organization applicant to be eligible for funding, the applicant shall agree to utilize funds provided under this chapter only for projects located in cities, counties, or a city and county that have, at the time of application, an adopted housing element that the department has determined, pursuant to Section 65585 of the Government Code, to be in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code. For the purposes of this section, eligible local housing trust funds may not include any ongoing restricted fund that is required to be established pursuant to federal or state law.

(h) Recipients shall have held, or shall agree to hold, a public hearing or hearings to discuss and describe the project or projects that will be financed with funds provided pursuant to this section. As a condition of receiving a grant pursuant to this section, any nonprofit organization shall agree that it will hold one public meeting a year to discuss the criteria that will be used to select projects to be funded. That meeting shall be open to the public, and public notice of this meeting shall be provided, except to the extent that any similar meeting of a city or county would be permitted to be held in closed session.

(i) No more than 5 percent of the funds appropriated to the department pursuant to subparagraph (C) of paragraph (1) of subdivision (a) of Section 53533 shall be used to pay the costs of administration of this section.

(j) A local housing trust fund shall encumber funds provided pursuant to this section no later than 54 months after receipt. Any funds not encumbered within that period shall revert to the department for use in the Multifamily Housing Program.

(k) Recipients shall be required to file periodic reports with the department regarding the use of funds provided pursuant to this section. No later than December 31, 2005, the department shall provide a report to the Legislature regarding the number of trust

funds created, a description of the projects supported, the number of units assisted, and the amount of matching funds.

(l) This program shall be operated under guidelines adopted by the department and shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 4. Section 50843.5 is added to the Health and Safety Code, to read:

50843.5. (a) Subject to the availability of funding, the department shall make matching grants available to any city, county, or city and county that has created, funded, and operated housing trust funds and to existing charitable nonprofit organizations described in Section 501(c)(3) of the Internal Revenue Code that have created, funded, and operated housing trust funds. These funds shall be awarded through the issuance of a Notice of Funding Availability (NOFA).

(1) Applicants that provide matching funds from a source or sources other than impact fees on residential development shall receive a priority for funding.

(2) The department shall set aside funding for new trusts, as defined by the department in the NOFA.

(b) Housing trusts eligible for funding under this section shall have the following characteristics:

(1) Utilization of a public or joint public and private fund established by legislation, ordinance, resolution, or a public-private partnership to receive specific revenue to address local housing needs.

(2) Receipt of ongoing revenues from dedicated sources of funding such as taxes, fees, loan repayments, or private contributions.

(c) The minimum allocation to an applicant shall be one million dollars (\$1,000,000), and no applicant may receive an allocation in excess of two million dollars (\$2,000,000). All funds provided pursuant to this section shall be matched on a dollar-for-dollar basis with money that is not required by any state or federal law to be spent on housing. No application shall be considered unless the department has received adequate documentation of the deposit in the local housing trust fund of the local match and the identity of the source of matching funds. Applicants shall be required to continue funding the local

housing trust fund from these identified local sources, and continue the trust in operation, for a period of no less than five years from the date of award. If the funding is not continued for a five-year period, then (1) the amount of the department's grant to the local housing trust fund, to the extent that the trust fund has unencumbered funds available, shall be immediately repaid, and (2) any payments from any projects funded by the local housing trust fund that would have been paid to the local housing trust fund shall be paid instead to the department and used for the program or its successor. The total amount paid to the department pursuant to (1) and (2), combined, shall not exceed the amount of the department's grant.

(d) (1) Funds shall be used for the predevelopment costs, acquisition, construction, or rehabilitation of the following types of housing or projects:

(A) Rental housing projects or units within rental housing projects. The affordability of all assisted units shall be restricted for not less than 55 years.

(B) Emergency shelters, safe havens, and transitional housing, as these terms are defined in Section 50801.

(C) For sale housing projects or units within for sale housing projects.

(2) At least 30 percent of the total amount of the grant and the match shall be expended on projects, units, or shelters that are affordable to, and restricted for, extremely low income persons and families, as defined in Section 50106. No more than 20 percent of the total amount of the grant and the match shall be expended on projects or units affordable to, and restricted for, moderate-income persons and families whose income does not exceed 120 percent of the area median income. The remaining funds shall be used for projects, units, or shelters that are affordable to, and restricted for, lower income persons and families, as defined in Section 50079.5.

(3) If funds are used for the acquisition, construction, or rehabilitation of for sale housing projects or units within for sale housing projects, the grantee shall record a deed restriction against the property that will ensure compliance with one of the following requirements upon resale of the for sale housing units, unless it is in conflict with the requirements of another public funding source or law:

(A) If the property is sold within 30 years from the date that trust funds are used to acquire, construct, or rehabilitate the property, the owner or subsequent owner shall sell the home at an affordable housing cost, as defined in Section 50025.5, to a household that meets the relevant income qualifications.

(B) The owner and grantee shall share the equity in the unit pursuant to an equity sharing agreement. The grantee shall reuse the proceeds of the equity sharing agreement consistent with this section. To the extent not in conflict with another public funding source or law, all of the following shall apply to the equity-sharing agreement provided for by the deed restriction:

(i) Upon resale by an owner-occupant of the home, the owner-occupant of the home shall retain the market value of any improvements, the downpayment, and his or her proportionate share of appreciation. The grantee shall recapture any initial subsidy and its proportionate share of appreciation, which shall then be used to make housing available to persons and families of the same income category as the original grant and for any type of housing or shelter specified in paragraph (1).

(ii) For purposes of this subdivision, the initial subsidy shall be equal to the fair market value of the home at the time of initial sale to the owner-occupant minus the initial sale price to the owner-occupant, plus the amount of any downpayment assistance or mortgage assistance. If upon resale by the owner-occupant the market value is lower than the initial market value, then the value at the time of the resale shall be used as the initial market value.

(iii) For purposes of this subdivision, the grantee's proportionate share of appreciation shall be equal to the ratio of the initial subsidy to the fair market value of the home at the time of the initial sale.

(e) Loan repayments shall accrue to the grantee housing trust for use pursuant to this section. If the trust no longer exists, loan repayments shall accrue to the department for use in the program or its successor.

(f) In order for a city, county, or city and county to be eligible for funding, the applicant shall have, at the time of application, an adopted housing element that the department has determined, pursuant to Section 65585 of the Government Code, is in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of

Title 7 of the Government Code. In order for a nonprofit organization applicant to be eligible for funding, the applicant shall agree to utilize funds provided under this chapter only for projects located in cities, counties, or a city and county that have, at the time of application, an adopted housing element that the department has determined, pursuant to Section 65585 of the Government Code, to be in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code.

(g) Recipients shall have held, or shall agree to hold, a public hearing or hearings to discuss and describe the project or projects that will be financed with funds provided pursuant to this section. As a condition of receiving a grant pursuant to this section, any nonprofit organization shall agree that it will hold one public meeting a year to discuss the criteria that will be used to select projects to be funded. That meeting shall be open to the public, and public notice of this meeting shall be provided, except to the extent that any similar meeting of a city or county would be permitted to be held in closed session.

(h) No more than 5 percent of the funds appropriated to the department for the purposes of this program shall be used to pay the costs of administration of this section.

(i) A local housing trust fund shall encumber funds provided pursuant to this section no later than 36 months after receipt. Any funds not encumbered within that period shall revert to the department for use in the program or its successor.

(j) Recipients shall be required to file periodic reports with the department regarding the use of funds provided pursuant to this section. No later than December 31 of each year in which funds are awarded by the program, the department shall provide a report to the Legislature regarding the number of trust funds created, a description of the projects supported, the number of units assisted, and the amount of matching funds received.

SEC. 5. Section 12206 of the Revenue and Taxation Code is amended to read:

12206. (a) (1) There shall be allowed as a credit against the “tax” (as defined by Section 12201) a state low-income housing tax credit in an amount equal to the amount determined in subdivision (c), computed in accordance with Section 42 of the

Internal Revenue Code, except as otherwise provided in this section.

(2) “Taxpayer,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partners in the case of a partnership, and the shareholders in the case of an “S” corporation.

(3) “Housing sponsor,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partnership in the case of a partnership, and the “S” corporation in the case of an “S” corporation.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project’s need for the credit for economic feasibility in accordance with the requirements of this section.

(A) The low-income housing project shall be located in California and shall meet either of the following requirements:

(i) The project’s housing sponsor shall have been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

(ii) It shall qualify for a credit under Section 42(h)(4)(B) of the Internal Revenue Code.

(B) The California Tax Credit Allocation Committee shall not require fees for the credit under this section in addition to those fees required for applications for the tax credit pursuant to Section 42 of the Internal Revenue Code. The committee may require a fee if the application for the credit under this section is submitted in a calendar year after the year the application is submitted for the federal tax credit.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) In the case of a partnership or an “S” corporation, the housing sponsor shall provide a copy of the California Tax Credit Allocation Committee certification to the taxpayer.

(C) The taxpayer shall attach a copy of the certification to any return upon which a tax credit is claimed under this section.

(D) In the case of a failure to attach a copy of the certification for the year to the return in which a tax credit is claimed under

this section, no credit under this section shall be allowed for that year until a copy of that certification is provided.

(E) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code shall apply to this section.

(F) No credit shall be allocated under this section to buildings located in a difficult development area or a qualified census tract as defined in Section 42 of the Internal Revenue Code for which the eligible basis of a new building or the rehabilitation expenditure of an existing building is 130 percent of that amount pursuant to Section 42(d)(5)(C) of the Internal Revenue Code, unless the committee reduces the amount of federal credit, with the approval of the applicant, so that the combined amount of federal and state credit shall not exceed the total credit allowable pursuant to this section and Section 42(b) of the Internal Revenue Code, computed without regard to Section 42(d)(5)(C) of the Internal Revenue Code.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building that receives an allocation after 1989 and is a new building not federally subsidized, the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(2) of the Internal Revenue Code, in lieu of the percentage prescribed in Section 42(b)(1)(A) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that receives an allocation after 1989 and that is a new building that is federally subsidized or that is an existing building that is “at risk of conversion,” the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(3) For purposes of this section, the term “at risk of conversion,” with respect to an existing property means a property that satisfies all of the following criteria:

(A) The property is a multifamily rental housing development in which at least 50 percent of the units receive governmental assistance pursuant to any of the following:

(i) New construction, substantial rehabilitation, moderate rehabilitation, property disposition, and loan management set-aside programs, or any other program providing project-based assistance pursuant to Section 8 of the United States Housing Act of 1937, Section 1437f of Title 42 of the United States Code, as amended.

(ii) The Below-Market-Interest-Rate Program pursuant to Section 221(d)(3) of the National Housing Act, Sections 1715l(d)(3) and (5) of Title 12 of the United States Code.

(iii) Section 236 of the National Housing Act, Section 1715z-1 of Title 12 of the United States Code.

(iv) Programs for rent supplement assistance pursuant to Section 101 of the Housing and Urban Development Act of 1965, Section 1701s of Title 12 of the United States Code, as amended.

(v) Programs pursuant to Section 515 of the Housing Act of 1949, Section 1485 of Title 42 of the United States Code, as amended.

(vi) The low-income housing credit program set forth in Section 42 of the Internal Revenue Code.

(B) The restrictions on rent and income levels will terminate or the federal insured mortgage on the property is eligible for prepayment anytime within five years before or after the date of application to the California Tax Credit Allocation Committee.

(C) The entity acquiring the property enters into a regulatory agreement that requires the property to be operated in accordance with the requirements of this section for a period equal to the greater of 55 years or the life of the property.

(D) The property satisfies the requirements of Section 42(e) of the Internal Revenue Code regarding rehabilitation expenditures, except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not apply.

(d) The term “qualified low-income housing project” as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, which, at the election of the taxpayer, is equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity which shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cashflow from those units in the building that are not low-income units. For purposes of computing cashflow under this subparagraph, operating costs shall be allocated to the low-income units using the “floor space fraction,” as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may accumulate and be distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term “credit period” as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting “four taxable years” for “10 taxable years.”

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 17058, and Section 23610.5 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars (\$70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars (\$70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals

the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) (1) Section 42(j) of the Internal Revenue Code shall not be applicable and the provisions in paragraph (2) shall be substituted in its place.

(2) The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, which agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code, shall apply, providing the agreement includes all of the following provisions:

(E) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.

(F) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee and the local agency that can enforce the regulatory agreement if

(H) The remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period, include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling which may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and the allocation dates.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(k) Section 42(l) of the Internal Revenue Code shall be modified as follows:

The term “secretary” shall be replaced by the term “California Franchise Tax Board.”

(l) In the case where the state credit allowed under this section exceeds the “tax,” the excess may be carried over to reduce the “tax” in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1993.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cashflow from those units in the building that are not low-income units. For purposes of computing cashflow under this subparagraph, operating costs shall be allocated to the low-income units using the “floor space fraction,” as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may accumulate and be distributed at any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term “credit period” as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting “four taxable years” for “10 taxable years.”

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 12206, and Section 17058 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars (\$70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars (\$70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code shall not be applicable and the following shall be substituted in its place:

The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and this agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code shall apply, provided that the agreement includes all of the following provisions:

- (1) A term not less than the compliance period.
- (2) A requirement that the agreement be filed in the official records of the county in which the qualified low-income housing project is located.
- (3) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.
- (4) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto, and that allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building the right to enforce the regulatory agreement in any state court.
- (5) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.
- (6) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.
- (7) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.
- (8) A provision that the remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period include, but are not limited to, allowing

any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code, the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate that there is a need for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies, and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(i) Projects serving large families in which a substantial number, as defined by the committee, of all residential units are low-income units with three and more bedrooms.

(ii) Projects providing single-room occupancy units serving very low income tenants.

(iii) Existing projects that are “at risk of conversion,” as defined by paragraph (4) of subdivision (c).

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the

total project development costs or projects for which the owner's equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(5) Not less than 20 percent of the low-income housing tax credits available annually under this section, Section 12206, and Section 17058 shall be set aside for allocation to rural areas as defined in Section 50199.21 of the Health and Safety Code. Any amount of credit set aside for rural areas remaining on or after October 31 of any calendar year shall be available for allocation to any eligible project. No amount of credit set aside for rural areas shall be considered available for any eligible project so long as there are eligible rural applications pending on October 31.

(k) Section 42(l) of the Internal Revenue Code shall be modified as follows:

The term "secretary" shall be replaced by the term "California Franchise Tax Board."

(l) In the case where the state credit allowed under this section exceeds the "tax," the excess may be carried over to reduce the "tax" in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) (1) A corporation may elect to assign any portion of any credit allowed under this section to one or more affiliated corporations for each taxable year in which the credit is allowed. For purposes of this subdivision, “affiliated corporation” has the meaning provided in subdivision (b) of Section 25110, as that section was amended by Chapter 881 of the Statutes of 1993, as of the last day of the taxable year in which the credit is allowed, except that “100 percent” is substituted for “more than 50 percent” wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993, and “voting common stock” is substituted for “voting stock” wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993.

(2) The election provided in paragraph (1):

(A) May be based on any method selected by the corporation that originally receives the credit.

(B) Shall be irrevocable for the taxable year the credit is allowed, once made.

(C) May be changed for any subsequent taxable year if the election to make the assignment is expressly shown on each of the returns of the affiliated corporations that assign and receive the credits.

(r) Any unused credit may continue to be carried forward, as provided in subdivision (k), until the credit has been exhausted.

This section shall remain in effect on or after December 1, 1990, for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

(s) The amendments to this section made by the act adding this subdivision shall apply only to taxable years beginning on or after January 1, 1994, except that paragraph (1) of subdivision

(q), as amended, shall apply to taxable years beginning on or after January 1, 1993.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that local housing trusts may continue to encumber funds provided pursuant to Section 50843 of the Health and Safety Code for an additional two years, it is necessary that this act take effect immediately.
